

PRIVACY POLICY

València City Council is committed to the protection of privacy and the correct use of personal data.

For this reason, the purpose of this Privacy Policy is to provide information about the processing of personal data that the City Council of Valencia carries out on this website, electronic office and any of its subdomains, microsites and/or mobile applications.

The updated list of the processing activities carried out by Valencia City Council is available at the following link to the Register of processing activities.

The personal data requested will be those strictly necessary to identify and deal with the request made by the data subject or to provide the services requested and will not be further processed in a way that is incompatible with these purposes.

The data collected from each data subject shall be adequate, relevant and not excessive in relation to the purposes corresponding to each case, and shall be updated whenever necessary. The data subject shall be informed, prior to the collection of his/her data, of the general points regulated in this policy in accordance with the following aspects:

1. Who is the Controller of the processing of your personal data?
2. Why do we process your personal data?
3. What is the legal basis for the processing of your personal data?
4. For how long do we keep your personal data?
5. Who can be a transferee or recipient of your personal data?
6. What are your data protection rights and how can you exercise them?
